ART & DESIGN

REGENT HIGH SCHOOL

Welcome to your Art Task.
It's called...

WHAT'S IN YOUR BAG?

Emily Blincoe

Emily Blincoe was born and raised in Austin, Texas. She finds inspiration in faces, new places, shapes, colours, light and quiet little moments- like walking her dog.

Blincoe takes a wide range of photographs including portraits, arrangements and commissioned work. Today we will be focussing on creating drawings like her photographic arrangements.

This artist began her career making arrangements by accident. One day, many years ago, she gathered some things from around her house and put them all in a grid arrangement. A year later she moved on to food, then sweets. This is the longest running series she has ever done.

Welcome to your Art Task. It's called...

Why not try arranging objects in colour order like the artist?!-->

- All objects must be yours
- Think about how you space objects out.
- Think about the background and where light is coming from.
- What else can you find around the house?
